

Chicago Center for Psychoanalysis Registration Information 2019-2020

Please email your completed registration form by July 15, 2019 to: tkalven@ccpsa.org.

Please note carefully the following information:

Each year candidates must register for at least three elective seminars and the clinical case conference, to which they will be assigned. Candidates must register for the Case Conference each year, until the three-year requirement has been met.

The Case Conference seminar is limited to eight participants, and priority is given to candidates who have a control case on a first come basis.

For the coming academic year, the tuition for all courses will be \$800.

To fulfill the seminar component of the training, candidates must complete 30 elective seminars and three years of the ongoing clinical case conference (nine 3- hour meetings per year).

Before beginning a supervised case:

You are required to take a seminar on the opening phase of analysis. In addition, you must have completed at least one year of a personal analysis and one full academic year (a minimum of 6 seminars).

You may register for seminars for credit or audit or half-fee:

Registration for credit:

Once you submit the registration form, you will be considered committed to the seminars for which you register for full credit and at full fee. With good reason, you may later substitute another seminar for one you are unable to take, but this must take place within the current academic year. Any changes must be discussed with and approved by Toulia Kourliouros-Kalven (tkalven@ccpsa.org).

Registration for audit (active candidates only):

You are not committed to seminars which you plan to audit. You may audit a seminar-- for no credit and for a reduced fee of \$200 per course -- if you are a current candidate and have not yet completed the required seminar component of the training, *provided that you are registered for the minimum required number of seminars(three)and case conference per academic year.* You may register to audit a course at any time during the academic year. If you decide to audit a seminar, please contact Toulia Kourliouros-Kalven at tkalven@ccpsa.org.

Registration for half-fee:

If you have already completed the required 30 elective seminars and the clinical case conference requirement, and wish to take additional elective seminars and/or case conferences, you may do so at a reduced fee: one-half the tuition of a full credit seminar. You do not need to register in advance, but if you can, please do so. To register during the academic year, please contact Toulia Kourliouros Kalven (tkalven@ccpsa.org).

CCP Graduates and board members may also take elective seminars for 1/2 the full fee.

Changes to registration:

After September 1, 2019 all schedule changes and additions to your full-fee, for-credit registration must be discussed with Toulia Kourliouros-Kalven (tkalven@ccpsa.org)

Finally, please note that changes for seminar times and/or dates are occasionally required to meet the needs of individual instructors. In such cases, registrants will be notified in advance.
